

"Images give more consolation than many words."

unknown author

The European Union of Hearing Aid Acousticians mourns the death of Loet Gruiskens. He died on 2 September 2017, at the age of 59 years. We wish to express our gratitude for his commitment and dedication for our line of business. All those who knew him will remember him as a committed, reliable, and convincing person, friend, and colleague. His life and work will continue to live on in all those who were close to him, who lived and worked with him.

Loet Gruiskens

12 May 1958 – 2 September 2017
