EUHA: A prime address!

(Mainz, 18 March 2021) In mid-March 2021, the office of the European Union of Hearing Aid Acousticians (EUHA) relocated to new premises. The new address is: Saarstraße 52, 55122 Mainz, Germany.

The PO box address will no longer be valid in future; e-mail and telephone details remain unchanged.

EUHA President Beate Gromke: “After the EUHA website, our logo and the association were given a new appearance, it was time to move the EUHA office to new premises. I hope the team will have a successful start and continue to work constructively at Saarstraße!”

The location at Saarstraße is easy to reach from Mainz main station and, in addition to the central connection, offers enough space for the six colleagues currently working in the EUHA office team.

Videos and teasers are made in-house by the EUHA, lectures for the training courses are digitally recorded and processed. There is enough space for these tasks now, as well as for meetings and the preparation of reports, newsletters, and mailing campaigns.

The EUHA office staff is excited to be working in their new office rooms, and be of service to the EUHA members and attend to their concerns.
