

+++ Press release +++

2021 EUHA Congress: Book your ticket now!

(Frankfurt/Mainz, 28 July 2021) The Ticket Shop for the 2021 EUHA Congress is now online! Visitors can purchase Congress tickets and tickets for the trade exhibition online.

The Online Ticket Shop is available at www.euha.org/en/ from now on. The contactless e-ticketing system – supplemented by the 3G principle (admission only for individuals who are vaccinated, convalescent, or tested) and general hygiene regulations – is an important pillar of the comprehensive safety concept of the event.

This year, all visitors and exhibitors are required to register with their personal data so that all participants can be tracked. Instructions are given in the ticket shop. After registering you can upload your 3G proof (proof of complete vaccination, recovery, or negative test). Important: PCR or antigen tests must be performed by an official test centre, and must not be older than 24 hours when you enter the exhibition grounds. This means that the test must be repeated daily if you are visiting the Congress or exhibition on several days. Test results can be uploaded and added online in the ticket shop at any time. Simply upload a screenshot of the test document to your ticket registration.

The ticket with a QR code can be printed out or loaded directly to your smartphone or tablet. Once scanned, each participant immediately receives a personalised event badge. Payment in the ticket shop is possible by credit card, PayPal, and by cash in advance or bank transfer.

Arrive tested

All unvaccinated participants are requested to come to the event with an officially documented PCR or antigen test (in each case not older than 24 hours).

For exceptional cases where a delegate is unable to be tested within 24 hours of admission, there will be a test facility with limited capacities on site offering antigen tests for a fee.
