

+++ Press release +++

2022 EUHA Congress: The countdown's on!

(Frankfurt/Mainz, 15 September 2022) 12 October 2022 will be the day! The 66th International Congress of Hearing Aid Acousticians and the accompanying Industry Exhibition will provide insights into innovations in the field of hearing.

More than 25 top-class expert lectures, five tutorials, and four forward-looking Future Friday lectures will be on offer for participants. In addition, we will debut the EUHA Science Symposium on Wednesday morning. Around 120 exhibitors, from 17 countries, including 17 new exhibitors will present their latest technologies on 14,500 square metres of booked exhibition space in Hall 6, as well as a special programme on Future Friday. The Congress Get-together on Thursday evening will be an opportunity to celebrate and exchange ideas.

2022 EUHA Showroom

The showroom is located in the press centre in rooms 13/14, and will be open to anyone interested at the following times: on Thursday from 9:00 a.m. to 5:00 p.m. and on Friday from 9:00 a.m. to 1:00 p.m. The 2022 product highlights will be presented there. Each on a separate pedestal! All Congress delegates are invited to enjoy a relaxed atmosphere to get an overview of innovations in the field of hearing!

Online Ticket Shop

Tickets may only be purchased online – the Ticket Shop is open 24/7, also while the Congress is running! In line with the current trend, there will be no ticket offices at the venue. Just take a look and quickly secure your ticket at www.euha.org. For the first time, pupils, apprentices, and students can purchase a discounted ticket for the third day of the Congress at 40 euros. This is a great opportunity to find out about the technologies showcased by the manufacturers of hearing systems and other service providers at the fair as well as to attend the exciting keynote lectures on Future Friday from 2:00 p.m.

WLAN

The free "MESSEfreewifi" is available on the grounds of Deutsche Messe Hannover.
