Free tickets for pupils and apprentices on Friday

Future Friday will be held on 20 October. Pupils and apprentices can get a free ticket from the online ticket shop. The ticket is exclusively valid on Future Friday. We will soon be posting tips and information on our social media channels.

Pupils and apprentices can look forward to a special programme on Friday, including guided tours of the trade fair, and information on training and employment in the industry. The EUHA and the BVHI are inviting them: "Encourage your apprentices to take part in Future Friday, and let the young people have a look at the future of our industry! Turn EUHA23 into a team event for your company!"

All tickets carry a QR code and can conveniently be downloaded to a smartphone or tablet. After scanning the ticket at the admission terminals, participants receive their personalised event badge. Payment in the ticket shop is possible using a credit card or PayPal.
