## **EUHA Learning Hub: New lectures out now!**

(Mainz, 19 January 2024) There has been exciting new content on the EUHA Learning Hub for a few days now. The presentations of the 67th International Congress are available in the original language (German or English) and in translation. In addition to the lectures that have to be paid for, individual contributions can be accessed free of charge. EUHA members and holders of a Congress season ticket will have free access. Anyone interested can book individual lectures for a small fee.

EUHA President Beate Gromke: "Use the EUHA Learning Hub to deepen your know-how on important subjects and keep up to scratch in our line of business!" The EUHA's knowledge platform permits training on demand, thus complementing the numerous services offered by the EUHA. At home on your computer or on the go via your smartphone – this learning platform offers maximum flexibility. Further training can now be organised according to your own needs – no matter when, no matter where.
