

# CALL FOR PAPERS

## 68<sup>th</sup> EUHA Congress 2024

Dear Sir or Madam,

The 68th International Congress of Hearing Aid Acousticians will be held in Hanover, at our tried and tested conference venue. We look forward to a personal exchange with all players in our industry. The world's largest event within our line of business is based on the established concept of a programme of academic lectures combined with the important trade exhibition of the hearing instruments industry.

In order to be able to continue the success of our former Congresses, we would like to invite you to take an active part in preparing and arranging this event. We look forward to your suggestions. Contributions must be submitted online via our website at

[www.euha.org/en/events/international-congress-of-hearing-aid-acousticians/suggestion-for-a-lecture/](http://www.euha.org/en/events/international-congress-of-hearing-aid-acousticians/suggestion-for-a-lecture/)

by no later than 19 April 2024.

We are excited and curious to find out about your suggestions.

Best wishes,

European Union of Hearing Aid Acousticians

**Beate Gromke**  
President

**Dirk Köttgen**  
Member of the Executive Committee

We look forward to receiving  
your suggestions for  
presentations from these fields:
