2024 EUHA Sponsorship Award: Apply now!

(Mainz, 9 April 2024) **The European Union Hearing Aid Acousticians (EUHA) invites students to apply for the 2024 EUHA Sponsorship Award. The award was launched by the EUHA in 2010 to encourage young talent, and help raise awareness of their work.**

The 2024 Sponsorship Award will be presented at the 68th International Congress of Hearing Aid Acousticians in Hanover on 16 October 2024. The next generation of hearing aid acousticians can look forward to prize monies of 3,000 euros for first prize, 2,000 euros for second prize, and 1,000 euros for third prize.

The EUHA is an important platform for generating added value from sharing knowledge and transferring insights from current research. The award gives young scientists a chance to share their findings and present them to a broad audience.

EUHA vice president Eva Keil-Becker, who is the chairwoman of the sponsorship award jury, explains the benefit for awardees: "Use this opportunity to introduce yourself to the industry and present the results of your current research. The Congress is an ideal platform to reach an international audience."

The 2024 EUHA Sponsorship Award at a glance

Who?

The 2024 award competition is intended for students at a university of applied sciences or university who have completed their studies within the past 24 months. They may submit a diploma, bachelor's, master's, or doctoral thesis. The thesis must not be protected by a confidentiality clause.

What?

The thesis should deal with a topic concerning the rehabilitation of deficiencies affecting the auditory communication system and should exhibit potential for development. Another requirement is that the subject matter can be practically applied by members of the trade of hearing aid acousticians.

When? Theses must be received by no later than 15 August 2024.

Entry rules

The thesis must be accompanied by a two-page abstract comprising proposition, method, and result, with a total of max. 5,000 characters (incl. spaces). A take-home message (central statement put in a nutshell) as well as a curriculum vitae are also required.

An electronic copy of the thesis should be submitted to the EUHA Office, *Saarstraße 52, 55122 Mainz, Germany*, e-mail: info@euha.org. The thesis must be accompanied by the author's curriculum vitae.
