#EUHA 2025: Be part of the industry exhibition at the 69th International Congress of Hearing Aid Acousticians as a start-up company: Apply now!!!

(Frankfurt am Main/Münster 8 April 2025) **Start-up companies that are active as B2B companies for hearing care professionals can apply for a free presence at the EUHA Industrial Exhibition 2025!**

Over 130 companies from all over the world will be exhibiting their products and services at the world's largest industry event for hearing acoustics. More than 8,000 participants are expected over the three days of the event from 22-24 October 2025, this time in Nuremberg. Selected start-up companies can present their innovative business ideas for the industry in Nuremberg on a **free stand area**. In the new networking and stage area, the EUHA Live Area in **Hall 7**, small stand areas will be available for a maximum of four start-up companies. Various criteria are taken into account when selecting companies, such as the technical relevance of the products/services for the industry and the innovative content of the business idea.

Applications are submitted via the website www.ausstellung-euha.org. In addition to their own presentation area, start-ups can also present their concept to international visitors to the event in a short presentation in **the stage programme of the EUHA Live Area**. The application deadline is 19 June 2025.
