

DAY 1: 69th International Congress of Hearing aid acousticians

Wednesday, October 22, 2025

09:00 – 17:00 h

Industry exhibition

09:15 – 09:45 h

Congress opening on the EUHA Live-Area stage

11:00 – 11:30 h

Get-together before the start of the specialist program

11:30 – 13:30 h

Knowledge symposium

Peifer, Dr. Markus, Zentralverband des Deutschen Handwerks (ZDH)

Opening keynote: "Does politics listen to the skilled trades? – Taking stock of the first months of government"

12:15 – 13:00 h

EUHA sponsorship award ceremony

13:00 – 13:30 h

FDHA award ceremony

13:30 – 14:00 h

Knipper, Prof. Marlies, University Hospital Tübingen

"When our hearing decodes the world - Hearing speed, perhaps the missing link!"

News from
hearing research
(physiology,
diagnostics)

14:00 – 14:30 h

BREAK

14:30 – 15:00 h

Miklosvary, Dr. Meg AuD, Helix Hearing

"Impact of degree of hearing loss, age and gender on self-reported incidence and degree of listening difficulty"

News from
hearing research
(physiology,
diagnostics)

15:00 – 15:30 h

Stropahl, Dr. Maren, Sonova

"Hearing health and cognition: An evidence-based perspective for practice"

News from
hearing research
(physiology,
diagnostics)

15:30 – 16:00 h

Dipl.-Ing. Maja Serman, Ph. D., WS Audiology

"Demystifying adaptation to hearing aids"

News from
hearing research
(physiology,
diagnostics)

16:00 – 16:30 h

Burwinkel, Justin R. AuD and Fabry, David Ph. D., Starkey

"Hearing AND Balance: Why both are important in the aging population"

News from
hearing research
(physiology,
diagnostics)

Wednesday, October 22, 2025

16:30 – 17:00 h

Jalilvand, Prof. Dr. Hamid Ph. D., Beheshti University of Medical Sciences
“Voice Quality Matters: Its Overlooked Impact on Speech Level Preference and Noise Tolerance in Audiological Assessment”

News from
hearing research
(physiology,
diagnostics)

17:00 – 18:00 h

Closing of the first congress day EUHA Live-Area
in the industry exhibition

19:30 h

FGH evening

EUHA APP 2025

With the app, you have
all the information
about #EUHA2025 at
your fingertips.

For optimal planning of
your visit and your daily
companion.

Available soon in all stores.

DAY 2: 69th International Congress of Hearing aid acousticians

Thursday, October 23, 2025

09:00 – 17:00 h

Industry exhibition

09:30 – 10:00 h

Bonsel, Harald, Hörgeräte Bonsel
**"Loudness in hearing aid fitting -
an overview"**

News from the
application
(therapy, hearing
system fitting)

10:00 – 10:30 h

Denk, Dr. Florian, Deutsches Hörgeräte Institut GmbH
**"Binaural broadband loudness summation in
the hearing-impaired population and potential
implications for hearing aid fitting strategies"**

News from the
application
(therapy, hearing
system fitting)

10:30 – 11:00 h

Stinn, Christoph, Audiosus
**"Loudness normalization based on goal-oriented
free field adaptation"**

News from the
application
(therapy, hearing
system fitting)

11:00 – 11:30 h

Fabry, David Ph. D., Starkey
**"REMarkable Improvements in Verification
to Optimize Patient Outcomes"**

News from the
application
(therapy, hearing
system fitting)

11:30 – 12:00 h

Hannemann, Dr. Ronny, ORCA Labs WS Audiology
**"Impact of Compression on neural representation
of speech"**

News from the
application
(therapy, hearing
system fitting)

12:00 – 12:30 h

Kummer, Prof. Dr. Peter, University Hospital Regensburg
**"CMV-induced hearing loss: prevent, alleviate or
cure already in the womb!"**

Pedacoustics

12:30 – 13:00 h

Prof. Dr. Anke Lesinski-Schiedat, ENT Clinic with DHZ of the MHH
**"Hearing loss and dementia / neurodegenerative
diseases"**

Dementia

13:00 – 14:00 h

BREAK

14:00 – 14:30 h

Aghajanloo, Behrouz, Macquarie University
"Acoustic Biosensor for Cochlear Device"

CI care
(diagnostics,
indication,
fitting)

14:30 – 15:00 h

Obert, Sebastian B. Sc., University Medicine Rostock ENT Clinic
**"Optimization of opposite ear masking in CI patients with
unilateral deafness: development of a measurement method to
determine the individual masking level"**

CI care
(diagnostics,
indication,
fitting)

DAY 2:
69th International
Congress of Hearing aid acousticians

69th International
EUHA
Congress & Exhibition
22–24 October 2025
Nuremberg

Thursday, October 23, 2025

15:00 – 15:30 h

*Goebel, Prof. Dr. med. Gerhard, Tinnitus- und Hyperakusis-Zentrum
im Neurozentrum Prien*

**“Tinnitus and sensorineural hearing loss:
findings and treatment options”**

Special care in
hearing acoustics

15:30 – 16:00 h

Harel, Dr. Tami Ph. D., EssilorLuxottica

**“Clinical Study on the Efficacy of
Open Ear Hearing Aid Glasses”**

News from the
application
(therapy, hearing
system fitting)

16:00 – 16:30 h

Mirzoyan, Flora M. A. and Golovkov, Roman, migohead

**“Biocompatible earmold materials for allergies: a medical
necessity in hearing system fitting”**

News from the
application
(therapy, hearing
system fitting)

16:30 – 18:30 h

biha general meeting (for members only)

19:00 h

Congress meeting (EUHA, BVHI, FDH)

69th International
EUHA
Congress & Exhibition
22–24 October 2025
Nuremberg

AMADEUS

SAVE THE DATE CONGRESS GET-TOGETHER
23 October 2025, from 7 pm

Nürnberger Winterhütten
Flughafenstraße 100 | 90411 Nürnberg

DAY 2: TUTORIALS

69th International Congress of Hearing aid acousticians

69th International
EUHA
Congress & Exhibition
22–24 October 2025
Nuremberg

Thursday, October 23, 2025

09:30 – 11:00 h

Willenberg, Michael, Gromke Hörzentrum and Meuret, PD Dr. med. habil. Sylvia, Specialist in phoniatrics and pediatric audiology, UKB Leipzig

TUTORIAL 1:

"Next level CI care: More than just an implant"

Tutorial

11:30 – 13:00 h

Alter, Dennis, Mindfulness in companies

TUTORIAL 2:

"Mindfulness and AI: The future lies in conscious people"

Tutorial

13:30 – 15:00 h

Gsenger, Ulrich, Dementia Counseling Diakoniewerk Salzburg

TUTORIAL 3:

"Dealing with hearing-impaired people with dementia as customers in hearing acoustics businesses"

Tutorial

15:30 – 17:00 h

Vehr, Veronika, VVC

TUTORIAL 4:

"What do you sell as a hearing aid acoustician – your positioning for the future"

Tutorial

ALSO IN 2025:
the EUHA Live-Area

1 stage
4 areas
Meeting points
Get together
Exchange
Live

DAY 3: 69th International Congress of Hearing aid acousticians

Friday, October 24, 2025

09:00 – 14:00 h

Industry exhibition

09:30 – 10:00 h

Hase, Prof. Ulrich, Berater für Inklusion, afh
"Study: Campus hearing acoustics on the way to inclusion!"

Research & Future

10:00 – 10:30 h

*Edwards, Dr. Brent Ph. D. and Kitterick, Dr. Pdraig Ph. D.,
National Acoustic Laboratories*
**"Research Behind NAL-NL3: The Next Generation Hearing Aid
Fitting System"**

Research & Future

10:30 – 11:00 h

Latzel, Matthias, Sonova
**"Neural fossils' within the human brain:
a useful methodology to assess the efficiency
of noise reduction algorithms in hearing aids? "**

Research & Future

11:00 – 11:30 h

Krüger, Dr. Melanie, Hörzentrum Oldenburg gGmbH
**"HörWerk – An innovation community of
craftsmen and research"**

Research & Future

11:30 – 12:00 h

Dobyan, Bridget B. A., Hearing Industries Association
"MarkeTrak25: Industry Landscape and Outlook"

Research & Future

12:00 – 12:30 h

BREAK

12:30 – 13:15 h

*Horx, Tristan, futurologist, co-founder and mentor of the
Future:Project*
**"How we will work in the future – attracting and
retaining young talent with future skills"**

Sound of Future
Keynote

13:15 – 14:00 h

Kirig, Anja, futurologist
**"Health as a resource:
The future of prevention in hearing acoustic"**

Sound of Future
Keynote

14:00 h

Closing words, farewell

DAY 3: TUTORIAL
69th International
Congress of Hearing aid acousticians

Friday, October 24, 2025

09:30 – 11:00 h

Graf, Beat, Pro Audito and Georgos, Yaser, GN Resound

TUTORIAL 5:

“Practical workshop: Auracast – opportunities and challenges for hearing care professionals”

Tutorial
