## #EUHA2026: Start-up companies & lecture proposals

(Frankfurt/Münster, 5 February 2026) The 70th International Congress of Hearing Aid Acousticians will take place in Hanover from 14 to 16 October 2026. Once again this year, there will be a platform for start-up companies.

Start-ups that operate as B2B companies for hearing care professionals can apply for a free presence at the EUHA Industry Exhibition 2026! In the networking and stage area, the EUHA Live Area in Hall 6 in Hanover, small stand spaces will be available for a maximum of four start-up companies. Various criteria will be considered when selecting the companies, such as the technical relevance of the products/services for the industry and the innovative content of the business idea. The registration deadline is 29 May. Registration at:

<https://www.ausstellung-euha.org/en/application-as-a-start-up/>

## Call for papers for presentation topics

The call for papers for the specialist scientific presentation programme runs until 31 March 2026. The EUHA welcomes contributions on the following topics:

- CI provision (diagnostics, indication, provision)
- Hearing system technology (how hearing systems work, new algorithms and signal processing strategies)
- News from the field (therapy, hearing aid fitting)
- News from hearing research (physiology, diagnostics)
- Paediatric audiology (care and requirements, experience and exchange)
- Special care in hearing acoustics
- Technology and the future
- Trends and developments in hearing aid care (care processes, new devices and systems)
- Miscellaneous: corporate governance, corporate development, strategic management, business management, operational management, entrepreneurial thinking for hearing care professionals, corporate governance made easy: tools and approaches

Proposals for presentations at the anniversary congress can be submitted online at:
